Results of the "Annual Investment Meeting 2012"
1-3 May 2012, Dubai, UAE

Dear Mr. Luchian!

I would like to express my sincere thanks for your continues efforts in promoting investment opportunities in Yaroslavl Oblast' and, especially, for your efforts, that resulted in our attending the "Annual Investment Meeting 2012" 1-3 May 2012, Dubai, UAE.

This year the Forum once again confirmed its high status as an international finance center of contacts for worldwide and overseas investment companies, finance circles and high level state structures on questions of attracting investment into global capital markets. Among the participations and honored guests at the Forum were the Chairman of the Governments of the Pakistan, Qatar, Belarus, the Deputy Prime Ministers of India, Turkey, Namibia, more than 35 Ministers for Economy, Industry and Foreign Trade, Heads of twenty six diplomatic missions, overseas delegation from 97 countries, and representatives of around 2500 overseas finance companies and banks.

The Middle East Ministries and Departments and a range of overseas companies presented their investment proposals and projects to emergency markets and overseas business. Particular subjects for discussion were questions of resisting the world crisis, development of mechanisms of public-private partnership, ways to BRICS markets into the global economy, and construction projects for the industrial grow.

Thank you again for prompt and dynamic support offered by STRATEGY Links in this worldwide investment event.

Your sincerely,

Head of Department of economical development

A.Shutov
